

The LOYAL  
Fabric Collection  
with LANZII™  
Water Erase  
Technology; clean  
stains effortlessly.

The **LOYAL** fabric collection features the **Lanzii™ Water Erase Technology from Italy**. Stains and spills are removed easily with just a cloth and water; no soap, sponges or scrubbing required. With the latest **LANZII™** technology a protective coat is added to each individual yarn fibre during the yarn spinning process, meaning deep seated stains can be removed simply with water.
